PRELIMINARY AMENDMENT

Before examining this application, please preliminarily amend the application as follows:

In The Claims:

Please amend the claims as follows:

- 35  
91
1. (amended) An auxiliary seat for mounting on a carriage, the auxiliary seat comprising:
    - (a) a seat bench designed and configured to be mounted on the carriage in a substantially horizontal orientation;
    - (b) at least one first seat attachment element disposed at a respective end of said seat bench, each said at least one first seat attachment element configured to engage at least one respective structural member of the carriage; and
    - (c) at least one second seat attachment element disposed at a respective end of said seat bench, said at least one second seat attachment element including a resilient element configured to secure said at least one second attachment element to the carriage.
